LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY STORM DAMAGE REPAIRS

As a result of land movement during the February 10, 2005, rainstorm, the valve on a fire hydrant lateral to the 12-inch-diameter water main supplying residents of Topanga Canyon was damaged causing a leak disrupting water service. A. A. Portanova and Sons, Inc., was called to assist Waterworks District No. 29, Malibu, staff to make the repairs. The repair work was completed on February 17, 2005, at an estimated cost of \$20,000.

A. A. Portanova and Sons Inc., is one of five as-needed, on-call emergency contractors, with a contract approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
